Matters arising

- None

1) Chair

- Committee to meet quarterly going forward. Dates of next few meetings pencilled in diaries of committee members. They are: 8 February at Gardeners Rest, 10 May and 6 September.
- To will ask in email newsletter about interest in
 - o Treasurer role to shadow Mick and eventually take over.
 - o a space on the social committee,
 - o web editor (Keith is looking after it for now. Position to be advertised.)
 - o more walk coordinators. We could provide "ready to go" walk details for anyone who would like to lead one. The management of the website long term.

ACTION: LS to compose an email for circulation.
- To consider using Facebook as an outreach – we have 1672 followers but not as many members.
- ACTION: Liz and Tracey to have handover from Jez and Bev when they are returned from their travels at end of November.

2) Treasurer

- Following on from AGM 2 weeks ago, as of 3pm today we have taken nearly £1.5K for the Christmas dinner and the Christmas party.
- Please see Appendix 1 for Mick's latest figures

3) Secretary

- No update at the moment on membership numbers as Tracey waiting for handover of duties.

4) Walks

- The stats from the AGM, (3 main walk leaders over the last year) show that we are short of walk leaders. A suggestion was made as to whether we leave some gaps in the calendar to see if it attracts more people to add walks. Different walk options on the same day would be fine.
- First Aid Training – Keith to get a price from St Johns Ambulance. It could be costly and decision needs to be made whether it is open to anyone or just walk leaders. Some walk leaders might not want to do the training so not a good idea to make it mandatory.
- Mick to write to SYNED and ask what we can do and how much money could be available.
- A course on using OS maps App discussed. This may be something that we can do in-house as Alan has done this before. Need to check interest with the group via the Website and Facebook page.

5) Socials and Weekends

- There are socials ongoing and in the pipeline.
- Mandy is hoping for a second person to share the role of Socials Coordinator with her.
- Christmas meal is full, 50 have booked on and there is no reserve list.
- Christmas Party has 37 booked on with bookings ongoing.
- Hebden bridge next year has 1 room left.

6) AOB

- None

Date of next meeting

8th February, 7pm at The Gardeners Rest, Neepsend

S40s WG Committee Treasurer's Report 14 Nov 2022

Balances at end of Oct 22

Date	Total in a/c	Main Funds	Social Funds
28 October 22	£ 2,487	£ 548	£ 1,940

Main funds

This is our main budget FY 22/23.

Item	Budget	Spent by 28 Oct 2022
Kit	£200	£0
Travel Expenses	£350	£0
Admin	£400	£0
Training	£250	£0
Sundries	£0	£60
Total	£1200	£60

- We started FY22/23 with main funds of £548.
- Our main funds budget for 22/23 is £1200 - it was all guess work, and we can vire monies from one budget heading to another.
- We receive 4 quarterly payments of £300 which includes our basic allocation of £407 from SYNED. We have received Q1 payment in Nov 22.
- Ramblers recommend that Groups should aim to maintain their 'main' funds at a level between 40% - 100% of annual main expenditure. For example, if our annual main expenditure is £1,200, main funds should generally be maintained between £480 and £1,200. We start the FY with a balance of £592

Social funds

Our 'true' surplus in the social fund at the end of September 22 was £747 (which includes the carry-over of £187 from last FY). The rest of the current social funds are accounted for in expenditure for future social events this FY.
